NASDPDA Parent Membership Agreement

The North Augusta School of Dance Parent Dance Association

By becoming a member of NASDPDA, I acknowledge and agree to the following:

1. NASDPDA is a parent-led organization created to support performance team dancers.
2. Membership is seasonal and applies to families with dancers actively participating on the performance team.
3. Participation in NASDPDA fundraising and volunteer opportunities is optional; however, all members are encouraged to support the organization when possible.
4. All money raised belongs to NASDPDA and is managed according to organizational policies.
5. Funds are not considered individual accounts or personal property.
6. Eligibility for NASDPDA assistance requires remaining an active member in good standing.
7. If my dancer leaves the team, withdraws, is removed, or otherwise ends participation during the season, my family understands that membership ends and future eligibility for NASDPDA benefits ends.
8. I agree to follow NASDPDA policies, volunteer expectations, financial procedures, and communication standards.
9. I agree to use respectful communication and follow the 24-Hour Resolution Rule when conflicts arise.
10. I understand that NASDPDA exists to support the entire competitive team and not individual interests above the organization.
